CURED AFTER SIX YEARS.

MANKATO, MINN., Sept. 30th, '87.

To whom it may concern:—I hereby certify that I have tried many great physicians ("by reputation") in the large cities in the west, and for six years I sought for one skillful enough to cure my daughter of a nervous disease, but without success I was then induced to try the Rev. E. KOENIG, of Fort Wayne, Ind., who was reported as being very successful in treating diseases of this character, and I am pleased to say that by his skillful treatment my daughter was in a short time completely cured, and he refused to accept any compensation for his services. I cheerfully recommend him to any parties needing his services. My daughter and myself will ever hold the reverend gentleman in grateful remembrance.
